9 October 2017

Mr Paul French  
Co-convenor  
Brisbane Central Business District Bicycle Users Group (CBD BUG)  
GPO Box 2104  
BRISBANE QLD 4001

Dear Mr French

Thank you for your email of 11 September 2017 which details the CBD BUG's submission on the preliminary design of the Woolloongabba Bikeway project.

The Woolloongabba Bikeway project is part of Council's Better Bikeway 4 Brisbane program, creating dedicated bikeways and travel options with a \$100 million investment. As you are aware, the project aims to provide a safe corridor for cyclists travelling along Annerley Road and Stanley Street in both directions.

The project team appreciates the time taken by yourself and CBD BUG to provide detailed feedback on the preliminary design. I also understand you and Mr Donald Campbell met with the project team on 29 August to discuss your feedback and that you attended one of the community information sessions during the week of 4 September.

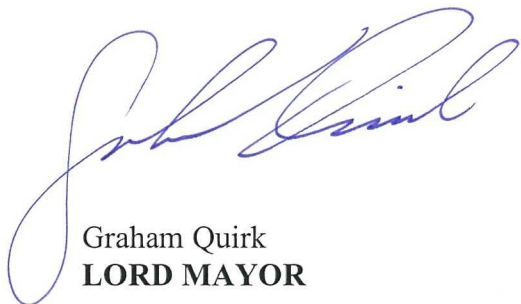

I acknowledge your suggestions to further improve cyclists' safety and can assure you the project team will thoroughly investigate these recommendations.

All feedback on the preliminary design will be taken into consideration for the detailed design, which is expected to be released towards the end of this year. Council will continue to engage with CBD BUG as the project progresses and more information is available.

If you have any further questions about the Woolloongabba Bikeway project, please contact the project team on 1800 600 163 or via [bikewayprojects@brisbane.qld.gov.au](mailto:bikewayprojects@brisbane.qld.gov.au).

Thank you for contacting me.

Yours sincerely

Graham Quirk  
**LORD MAYOR**
