The Right Honourable Cr Graham Quirk
Lord Mayor of Brisbane
GPO Box 2287
BRISBANE QLD 4001

Dear Lord Mayor Graham Quirk

It has come to the attention of the CBD BUG that on the 24/9/18 that Cr Andrew Wines posted on Facebook that Brisbane City Council would be spending \$1million in designing an upgraded Kelvin Grove Rd (figure 1). Kelvin Grove Rd is listed in the BCC town plan (figure 2) and the Transport and Main Roads SEQ "Principal Cycle Network Plan" (figure 3). As both the Council and the State of Queensland recognize the potential of Kelvin Grove Road as a cycling corridor, the CBD BUG would like to enquire if the scope of works for the design phase includes designing for the provision of protected bikelanes.

Yours sincerely
