Dear Mark

I write to you on behalf of Brisbane CBD Bicycle User Group (CBD BUG) members to convey our thanks for all your good works during your more than eight years as the Queensland Minister responsible for supporting increased usage of cycling for transport.

As background to this letter, I am pleased to let you know that the following Motion on Notice was passed unanimously by CBD BUG members during our December 2023 General Meeting.

“This meeting of CBD BUG members wishes to sincerely thank outgoing Transport and Main Roads Minister Mark Bailey for all his efforts in delivering numerous new high quality bikeways in Brisbane and across Queensland – thereby enabling many more people of all ages and abilities to cycle more often.

We also want to acknowledge his very positive engagement with the bicycle riding community, as well as the personal support he has given to bicycle riding advocacy groups.

We wish him all the very best for the future and look forward to seeing him out on the road either riding (or running) around Brisbane.”

Yours sincerely
