The Hon. Jackie Trad MP
Minister for Transport

Dear Minister

The Brisbane Central Business District Bicycle Users Group (CBD BUG) would like to welcome your appointment as the new Transport Minister for the Queensland Government. The CBD BUG wishes to meet with you in the near future regarding cycling issues in and around the Brisbane CBD.

The Brisbane CBD BUG is a grassroots volunteer organization of more than 700 members, representing the interests of the very large number of people riding bicycles to, from and within the Brisbane city centre. It is active in seeking policy decisions at all levels of government supporting people who want to cycle. Our particular focuses are improved infrastructure, end-of-trip facilities, integration of cycling needs with other transport modes and a regulatory environment friendly towards people riding bikes. CBD BUG members meet monthly to exchange information and ideas, discuss issues of relevance and determine the direction of policies to benefit CBD cyclists.

Looking forward to your response and meeting yourself in person. Should you wish to contact me directly via phone I can be contacted on 0402 609 723.

Yours Sincerely

Donald Campbell
