Dear Mr Caswell

I refer to the presentation on the design of the Riverwalk Replacement Project provided to the Brisbane Central Business District Bicycle User Group (CBD BUG) September 2012 monthly members general meeting.

On behalf of all CBD BUG members I would like to sincerely thank you and the other members of the Riverwalk Replacement Team for providing this highly informative presentation.

I am sure you would be pleased to hear that the members of the CBD BUG greatly appreciated the level of detail that was presented.

The CBD BUG is intently interested in the in the quality of the replacement structure and the detailed presentation allowed many of our members to have their more detailed questions answered.

On the whole the CBD BUG is exceedingly pleased with the proposed Replacement Riverwalk and would like once again to thank you, Michelle and Mary-Anne for taking the time to present the project to the CBD BUG

Yours faithfully
