Subject: Timber Bridge Closure - Riverwalk [TO BE CLASSIFIED]

Hi,

I have been contacted regarding the closure of the timber bridge linking the Botanical Gardens to the Eagle St Boardwalk (pic attached) for maintenance repairs.

These works are being conducted by the Stamford Plaza Hotel from Monday 20th August to Saturday 25th August. All the wooden planks across the bridge will be replaced.

Stamford Plaza have agreed to undertake the work between 8:00am and 4:30pm and will ensure the bridge is open during the other times. While the works are being undertaken, a detour will be in place guiding cyclists from the Eagle St Boardwalk along Margaret St and Edward St to the Botanical Gardens.

The Stamford Plaza Hotel can be contacted on (07) 3221 1999 for any concerns regarding the works when they have commenced.

In addition, can you please inform your members not to lock their bicycles to the bridge as of next Monday to allow the maintenance works to occur.

Please contact me if you have any questions.

Regards,
