Dear Mr French

Re: Connectivity between the Eleanor Schonell Bridge and Boggo Road Cycleway

Thank you for your letter dated 13 February 2009 regarding connectivity between the Eleanor Schonell Bridge and the Boggo Road Cycleway.

The Queensland Government is committed to developing the regional cycle network in south east Queensland through the South East Queensland Cycle Network Program and welcomes any suggestions that will improve cycle connectivity in this area. I invite you to meet with departmental representatives and representatives from Brisbane City Council to discuss the connectivity issues you have raised.

A meeting, to be chaired by Mr Peter Berkeley, Principal Advisor (Active Transport) Integrated Transport Planning Division, has been arranged for Tuesday, 12 May 2009 at 12.30pm on Level 3, 140 Creek Street, Brisbane. The meeting will specifically discuss connectivity between the Eleanor Schonell Bridge, the South East Freeway Bikeway and Boggo Road Cycleway.

If this meeting time is not suitable, please telephone Mr Peter Berkeley on 3146 1863 to arrange a more convenient time.

Yours sincerely

David Stewart
Director-General
